

STAY CONNECTED ONBOARD WI-FI SERVICE

Embark on a new era of connectivity with Swan Hellenic. Our ships are equipped with the latest, cutting-edge satellite internet technology. Our secure and robust Wi-Fi is available complimentary for the convenience of all guests for messaging and visiting selected news websites.

Details as follows:

SILVER CONNECT

COMPLIMENTARY

Only text messaging to WhatsApp, Facebook Messenger, iMessage, WeChat as well as access to some news websites. No voice, emails, VPNs or streaming content, real-time or deferred.

Data limit: Unlimited
Service speed: Up to 1 mbs

GOLD CONNECT

\$25.00

per device, per day
(for the length of the cruise)

Internet surfing and sharing pictures via social networks. Excluding audio/video streaming, real-time or deferred.

Data limit: Unlimited
Service speed: Up to 2 mbs

PLATINUM CONNECT

\$37.00

per device, per day
(for the length of the cruise)

Faster surfing and the streaming of playlists and videos.

Data limit: Unlimited
Service speed: Up to 7 mbs

Premium Wi-Fi can only be purchased while on board, and packages are valid on SH Diana and SH Vega. Kindly be advised that our Wi-Fi services operate based on line-of-sight connectivity to the satellite, and their performance may be influenced by the ship's geographical location and prevailing weather conditions.
